b) This restriction of liability does not apply to injuries of life, body and/or health. a) This agreement shall be concluded for an indefinite period. The agreement automatically terminates with the discharge of Trustee, a transfer, an owner-change or the deletion of the domain.

b) The existence of this trust agreement inseparably depends on the domain registration through the respective partner registrar of Trustee.

#### **2. Termination**

a) Registrant and Trustee denounce their right of regular termination of contract. This will not effect a termination of contract for important cause or any other causes for terminating the contract as determined by this agreement.

b) Trustee is authorized to transfer all rights and obligations hereunder to another trustee and this register as the new administrative contact, provided this will not create legal disadvantages for Registrant. A consent of Registrant is not necessary for this purpose.

#### **3. Compensation**

a) The compensation shall be paid to the partner registrar of Registrant. The compensation has to be made in advance for each annual term of the contract. Additional payments of Registrant directly to trustee are not required.

b) If the domain is deleted prematurely or transferred, Registrant has no right to proportionate compensation. The same applies for early termination of this agreement.

### **V. Final regulations**

- a) All contractual changes and modifications need the written form. This also applies to the renunciation of the requirement of written form. No additional agreements on the specific subject matter exist between the parties.
- b) The cession of the rights by Registrant is prohibited.

### **2. Court of jurisdiction, choice of law**

- a) Court of jurisdiction for all disputes from this agreement is Friedrichsthal, Germany if Registrant is a businessman, legal entity of the public right, public law special property or a consumer in Germany without a valid court jurisdiction, as well as in case the legal seat of Registrant cannot be determined at the time of the initiation of legal procedures.

### **3. Severability Clause**

Should any provision in this agreement be entirely or partially invalid or later lose its legal validity, such invalidity shall not affect the validity of any other provision.
